A Week in December by Sebastian Faulks - the Guardian
A Week in December, Sebastian Faulks's tenth novel, came out in September 2009 to considerable press attention. Much of it focussed on his attempt to write a "state of the nation" book at a time of economic meltdown and admired the ambition and the execution of the idea. It "could hardly be more timely", said The Times; it is "unequivocally successful," said the Guardian and "perfectly constructed", according to the Telegraph.
