after some devastating news. Without belittling your feelings for the loss of your loved one, demeaning the pain of joblessness and poverty, blaming you for your circumstances, Face to Face with Grief uses the counseling and experience of others to dig you out of your own grave. It will help you to modify and control your anger, doubts, hatred and help you think through your goals, guide your life course decisions and let you design your lasting relief from your problems.

The study of television and music has expanded greatly in recent years, yet to date no book has focused on the genre of comedy television as it relates to music. Music in Comedy Television: Notes on Laughs fills that gap, breaking new critical ground. With contributions from an array of established and emerging scholars representing a range of disciplines, the twelve essays included cover a wide variety of topics and television shows, spanning nearly fifty years across network, cable, and online structures and capturing the latest research in this growing area of study. From Sesame Street to Saturday Night Live, from Monty Python to Flight of the Conchords, this book offers the perfect introduction for students and scholars in music and media studies seeking to understand the role of music in comedy onscreen and how it relates to the wider culture.

In *Who Did It First?: Great Pop Cover Songs and Their Original Artists*, the second volume in Bob Leszczak's exciting *Who Did It First?* series, readers explore the hidden history of the most famous, indeed legendary, pop songs and standards. As Leszczak points out, the version you purchased, swayed to, sang to, and grew up with is often not the first version recorded. Like wine and cheese, some tunes do get better with age, and behind each there is a story. Little-known facts and amusing anecdotes, often gathered through Leszczak's vast archive of personal interviews with the singers and songwriters, record producers and label owners, who wrote, sang, recorded, and distributed either the original first cut or one of its classic covers.

The *Global Southern Music Issue* enhanced eBook includes all the tracks on *Traveling Shoes*, our special free CD and: The South meets Senegal as hip-hop goes Trans-Atlantic. Hawaiian steel guitar sways the Southern musical landscape. Poet Allen Ginsberg and bluesman James "Son" Thomas trade verses. Aussie Elvis impersonators keep the king alive. A U.K. scholar offers a new perspective on the study of the blues. Music pirates keep alive another tradition of bootlegging in

the South. And much more. Southern Cultures is published quarterly (spring, summer, fall, winter) by the University of North Carolina Press. The journal is sponsored by the University of North Carolina at Chapel Hill's Center for the Study of the American South.

Gwen Stefani is a well-known recording artist, TV personality, and fashion designer. Her work as lead vocalist in the rock band No Doubt propelled her into the spotlight in the 1990s and early 2000s. After the band's hiatus in 2004, Stefani pursued a career as a solo artist. Stefani has won two Grammy Awards for her work with No Doubt and one for her collaboration with rapper Eve. This compelling edition profiles the life and career of this multitalented entertainer. Chapters discuss her early years in Orange County, explore her time as a lead singer for No Doubt, and offer readers an insight into Stefani's personal life.

The Theology of Eros owes its origin to a recent debate in the Russian Orthodox theological literature on the nature of eros and the status of married Christians and sexual love within marriage. The present work attempts to expound the nature of eros, marriage and monasticism

from the perspective of the Holy Fathers of the Orthodox Church. The Holy Fathers, especially the Greek Fathers from the fourth to the fourteenth century, from St. John Chrysostom to St. Gregory Palamas, serve as the foundation of this work. It also uses Russian Fathers, such as St. Demetrius of Rostov, St. Tikhon of Zadonsk, St. Seraphim of Sarov, Bishop Ignatius Brianchaninov, Bishop Theophan the Recluse, St. John of Kronstadt, Archbishop Theophan of Poltava and New Hieromartyr Gregory (Lebedev). More contemporary Orthodox philosophers and theologians, such as Bishop Nikolai Velimirovich, Archpriest Lev Lebedev, Hieromonk Seraphim Rose, Vladimir Soloviev, S. L. Frank, S. V. Troitsky, Vladimir Lossky, I. A. Ilyin, John Romanides, Panagiotis Trembelas, Panagiotis Nellas, Georgios Mantzaridis, Anestis Keselopoulos and Philip Sherrard, are used to provide insight into this topic. Fr. Seraphim Rose pointed to the need for study such as is found in *The Theology of Eros*: "All of this [the true nature of sexuality, and of human nature before the fall, from a patristic point of view] should one day be written out and printed, with abundant illustrations from the Holy Fathers and Lives of the Saints - together with the whole question of sexuality - abortion, natural and unnatural sins, pornography, homosexuality, etc. With Scriptural and patristic sources, this could be done carefully and without offensiveness, but clearly ..." This is what this book tries to achieve.

(Book). 1963 tail fins were in, sock hops were hot, and a fairytale white knight was president. That summer, sixteen year-old singer Lesley Gore released her debut single, "It's My Party," propelling her to Number One on the charts. For the next several years, the crowned Princess of Pop dominated the radio with a string of hits including "Judy's Turn to Cry," "She's A Fool," "Sunshine, Lollipops & Rainbows," and the rousing anthem for independence, "You Don't Own Me," making her the most successful and influential solo female artist of the 60s. But beneath the bubblegum facade was a girl squirming against social and professional pressures to simply be herself and to forge a future where she could write and perform music beyond the trappings of teenage angst and love triangles. Assembled over five years of research and interviews, this is the first and long overdue biography of Lesley Gore, one of pop music's pioneering Mothers, which chronicles her meteoric rise to fame, her devastating fall from popularity and struggle for relevance in the 1970s, and her reemergence as a powerful songwriter, political activist, and camp icon. The biography includes behind-the-scenes stories about the making of her hit records, debunks or clarifies popular myths about her career, and places her remarkable life and times within a historical context to reveal how her music was both impacted by, and

contributed to, each decade of her astounding fifty-year career.

A self-portrait by the controversial music artist shares his private thoughts on everything from his inner struggles to his relationship with his daughter, in an account complemented by drawings, handwritten lyrics, and previously unseen photographs.
