Publisher Description

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES sets the standard for public policy coverage while maintaining focus on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as learning objectives, Who Governs? and To What Ends? questions framing each chapter, and How Things Work boxes that illustrate important concepts. A state-of-the-art media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Wilson/Dilulio/Bose/Levendusky's AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, ENHANCED, 16th Edition, combines excellent scholarship with practical examples and insight to give you a clear understanding of the U.S. government. The authors highlight current issues in American politics, focusing on the importance of governmental institutions, the historical development of procedures and policies as well as on who governs in the U.S. and to what ends. Up-to-date coverage includes changes during the Trump administration and results of the 2018 midterm elections. Links to contemporary debates on policy dynamics give you the opportunity to identify important issues in American politics, apply what you learn and maximize your comprehension. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

From the #1 New York Times bestselling author, "a brilliant biography"* of the 28th president of the United States. "Doris Kearns Goodwin One hundred years after his inauguration, Woodrow Wilson still stands as one of the most influential figures of the twentieth century, and one of the most enigmatic. And now, after more than a decade of research and writing, Pulitzer Prize–winning author A. Scott Berg has completed Wilson—the most personal and penetrating biography ever written about the twenty-eighth President. In addition to the hundreds of thousands of documents in the Wilson Archives, Berg was the first biographer to gain access to two recently discovered caches of papers belonging to those close to Wilson. From this material, Berg was able to add countless details—even several unknown events—that fill in missing pieces of Wilson ' s character, and cast new light on his entire life. From the visionary Princeton professor who constructed a model for higher education in America to the architect of the ill-fated League of Nations, from the devout Commander in Chief who ushered the country through its first great World War to the widower of intense passion and turbulence who wooed a second wife with hundreds of astonishing love letters, from the idealist determined to make the world " safe for democracy " to the stroke-crippled leader whose incapacity—and the subterfuges around it—were among the century ' s greatest secrets, from the trailblazer whose ideas paved the way for the New Deal and the Progressive administrations that followed to the politician whose partisan battles with his opponents left him a broken man, and ultimately, a tragic figure—this is a book at once magisterial and deeply emotional about the whole of Wilson ' s life, accomplishments, and failings. This is not just Wilson the icon—but Wilson the man. INCLUDES PHOTOGRAPHS

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

"Congressional Government" by Thomas Woodrow Wilson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
