Make your bee hotel. We've come up with a simple design for you to try, but if you are nifty with carpentry, feel free to make your own. For our version, buy a plank of timber (with the FSC logo, which means it comes from a sustainable source) about 1.5 cm thick and cut into the shapes shown to make a box with three compartments. Nail it together.

Building your bee hotel: Cut the plank into four to make a rectangular frame that the stems will sit inside. Drill guide holes for the screws (to stop the wood splitting) and assemble the frame. Snip your stems into lengths to fit the frame (as wide as the plank), discarding any bent or knobby ones.

### ~~How to make a bee hotel | The Wildlife Trusts~~

How to make a bee hotel. Make a wooden box and fill it with hollow stems such as old flower stalks or bamboo canes, which you have dried thoroughly and cut to size. Ideally, holes should vary in diameter between 2mm and 10mm, to attract the widest range of species. Site your bee hotel in a sunny spot, ideally so it gets the morning sun.

A bed and breakfast is a something of a mix between a boutique hotel and a private home. Usually, the service is extremely personal. The manager might live on-site, and it's not unusual that the manager and the guests spend time together. Before you even think about opening a bed and breakfast, you need to plan ahead.

B-BBEE Certification. Customers can apply for a B-BBEE certificate on the eservices website or at the CIPC Self Service Terminal. For a business with a turnover of less than R10 million, a B-BBEE certificate is not required. Customers can complete an Affidavit, signed by an Commissioner of Oaths, and hand it instead of the B-BBEE certificate. Once the Affidavit has been stamped by a Commissioner of Oaths, the Affidavit serves as a B-BBEE certificate as no other verification is required for ...
