Burn (Heart Racer, #4) by Marian Tee - Goodreads

About Burn Helios Andreadis is a changed man. Now understanding how much one eighteen-year-old girl means to him, the gorgeous, powerful head of the billion-dollar underground racing club Afxisi is willing to do everything it takes to win the girl he loves back. Marian J Cartwright is no longer the blindly optimistic girl she used to be.

Burn: Heart Racer College Biker Romance Series Read online ...

Although Helios is determined not to let MJ's 'secret crush' take his woman away, he isn't ready to put a name to his feelings either. To do so would make him vulnerable, and that he would never allow to happen/even if it means having to hurt MJ instead. Note: This novel was previously released as a three-part serial (Swish, Burn, Click).

Helios: Greek. Biker. Billionaire. eBook: Tee, Marian, Tan ...

Sometimes, MJ felt like this hurt worse. This. The woman in Helios' room, in his bed/in his arms/stirred. The blanket lowered, baring one breast. SWISH. MJ forced herself to move. She stopped behind Helios, his back to her, his golden hair spread on the pillow like sun-kissed silk. Her hand hovered over his shoulder.

Helios by Marian Tee read online free – Chapter 10

This is a full-length dark romance between a botheaded Greek biker and the innocent girl who's hopelessly in love with him. Past betrayals have taught Helios Andreadis, the President of the Afxisi, to be aloof and distrustful. But when the young, tomboyish, camera-wielding MJ Cartwright skids into his life, the mercurial Greek billionaire biker finds himself strangely possessive and obsessed.

Helios impatiently waited for MJ, who seemed to be dragging her feet to get to him. This only made him even more irritable. He had hated waking up and not finding MJ in his bed, and his already erect cock had hated it even more. MJ was already dressed for classes, in her usual combination of checkered polo, tank top, jeans, and sneakers.

Helios by Marian Tee read online free – Chapter 28

This book presents a very intense relationship between Helios and MJ. Loved the book, glad I read it, would recommend it. But really could anything else have happened to this couple. Loved it but was exhausted when I finished!

Amazon.com: Customer reviews: Helios: Greek. Biker ...

The tension eased from Kellion's frame when Helios slowly nodded, lowering his gun. Helios had been like a ticking bomb all these days, and there was no telling what could trigger him. Even now, the memory of how Helios had gone berserk upon finding out MJ had been taken made Kellion wince. He definitely did not want that to happen again.

I had always been okay at being boring and ordinary, of always doing the right thing and playing it safe. But when Marcus Ravelli came to live with us that one summer, the wildly sensual and dangerously handsome Italian bad boy made me yearn for the impossible. And everything changed. Fast forward nine years later, and Marcus and I were about to meet again. I convinced myself that I would be able to handle it. But I was wrong. I still ended up acting like a docile little lamb in his presence, still ended up saying yes to his every suggestion--- No matter how foolish or dangerous. No matter if it involved marriage. I thought I understood how things were between us. I thought that because he was my friend, he knew better than to hurt me again. But I was wrong about this, too. So, so wrong. Note: This is Book 1 of a two-part serial. Expect graphic scenes, heartbreak, and a painful cliffhanger.

Determined to put her short-lived marriage completely behind her, Anneke de Konigh files for divorce, believing she would have no trouble getting the court to grant it. After all, only her Italian billionaire husband could stand in her way, but why would he when he had thrown her away first? Marcus Ravelli wants his wife back, but he also knows it's going to be a treacherously uphill battle to earn back Anneke's trust -- and especially when his estranged wife comes to know the devastating truth about his past.

Greek billionaire Andreas Economou is Hallie's first love, but he's also the only man to break her heart -- and he's done it more than once, too. Now that she's twenty-four, and hopefully just a little wiser, too, Hallie decides that it's time she stops running away from her feelings. This time, she's going to let nature run its course -- and stop pretending she's not in love with him.

The End of the Story is an energetic, candid, and funny novel about an enduring obsession and a woman's attempt to control it by the telling of the story of it. With ruthless honesty, artful analysis, and crystalline depictions of human and natural landscapes, Lydia Davis's novel offers a compelling illumination of the dilemmas of loss and the process of remembering.

No Marketing Blurp

Invites readers to change their perceptions about illness in order to understand disease as an essential component of the evolutionary process, citing the role of such malaises as diabetes, STDs, and the Avian Bird Flu in protecting the survival of the human race. (Health & Fitness)
