Cycling & Society  
2017 – Overview |

Cycling and Society

Initially, I viewed cycling as a means to an end; I was dieting and needed to move my body regularly, and my journey to and from work was 45 minutes of unused exercise potential

Access Free

Cycling And

that didn't eat into  
my social life  
(excuse the pun).

So I bought myself  
a bike - a pretty  
one, of course, not  
a functional one -  
and set about  
cycling to and from  
...
