In the Navigation pane, click Users and Groups. Click Users. To assign a user, follow the instructions in the Web console help. To remove an InfoSphere DataStage user or group you have previously added to this project: From the Administration tab of the Web console, select the user in the Users table. Click Delete in the task pane.

Assigning InfoSphere DataStage user roles - IBM

For users working with data from Coursera courses: it's possible to link survey responses to Coursera data by joining the 'a' ID field with the session_user_id field contained in the ID map from Coursera's data export. You need to know which Coursera database corresponds to which SurveyID; this data can be looked up manually in the Podio database.
