Con ese fin logró el concurso de los jugadores de Ripper y de su mejor amigo, Blake Jackson, quien casualmente era también su abuelo, sin sospechar que la diversión se tornaría violenta y su madre, Indiana Jackson, sería una de las víctimas.

*Isabel Allende - El juego de ripper*

Si Indiana suele buscar el lado bueno de las personas, Amanda, siempre fascinada por el lado oscuro, tiende a ser más como su padre, inspector de policía. Brillante e introvertida, esta estudiante del último año de instituto anda siempre con una novela negra bajo el brazo al tiempo que lidera Ripper, un juego de rol que comparte con su abuelo y con amigos de todo el mundo.

2 stars In Isabel Allende's Acknowledgments for Ripper (which to me almost come off, really, as a mea culpa for her 500 page genre buster), she indicates that this was a 2012 project idea by her agent to have Allende and her husband (evidently an author himself, though good luck finding anything about Willie Gordon on Goodreads) to collaborate on a 'Crime Novel', but that they quickly realized ...

"El juego de Ripper" es una novela negra muy actual donde tienen cabida las nuevas tecnologías, las deducciones racionales y puramente científicas pero, también, ciertas dosis de magia. Isabel Allende cambia de registro, aunque sigue regalándonos personajes tan entrañables como curiosos. Una madre tierna y esotérica que se gana la vida de sanadora aplicando métodos como el Reiki o el masaje intuitivo, un antiguo navy seal enamorado que no deja de ser un tipo duro al que su pasado ...

About El juego de ripper. Tal como predijo la astróloga más reputada de San Francisco, una oleada de crímenes comienza a sacudir la ciudad. En la investigación sobre los asesinatos, el inspector Bob Martín recibirá la ayuda inesperada de un grupo de internautas especializados en juegos de rol, Ripper.

From the NEW YORK TIMES Bestselling author, a gripping murder mystery about a serial killer on the loose in San Francisco. Indiana Jackson is 33 years old and works in an alternative medicine clinic in San Francisco that attracts all sorts of characters, some of them skeptics, who fall for her candor and humility. Her teenage daughter, Amanda likes noir literature and hopes to attend MIT, where she will be with Bradley, an old friend that she plans to marry, with or without his consent. In her free time, she plays Ripper, an online role playing game that involves solving real-life mysteries and crimes using information collected by Amanda's father, the Chief Inspector of the San Francisco police. Amanda plays the game via Skype with adolescents from all over the world and with her best friend, her grandfather Blake. Each player in the game has a virtual personality: Amanda is the game master, and Blake is her henchman; the others are Sherlock Holmes, Colonel Paddington, Esmeralda, and the psychic Abatha. When Ripper's latest murder mystery-"the case of the misplaced bat"-begins to touch their real-world lives, Amanda and her friends know they must solve the case and find the murderer before he can strike again. RIPPER is a true thriller, with the twists, surprises, well-placed clues, and revelations that lead to a climatic finale. A rich and generous novel, filled with humor but increasingly dark, it's a fast-paced read that grabs you right from the start and keeps you glued to the page.

This sweeping novel from the New York Times bestselling author of *A Long Petal of the Sea* tells the epic story of Violeta Del Valle, a woman whose life spans one hundred years and bears witness to the greatest upheavals of the twentieth century. Violeta comes into the world on a stormy day in 1920, the first girl in a family with five boisterous sons. From the start, her life is marked by extraordinary events, for the ripples of the Great War are still being felt, even as the Spanish flu arrives on the shores of her South American homeland almost at the moment of her birth. Through her father's prescience, the family will come through that crisis unscathed, only to face a new one as the Great Depression transforms the genteel city life she has known. Her family loses everything and is forced to retreat to a wild and beautiful but remote part of the country. There, she will come of age, and her first suitor will come calling. She tells her story in the form of a letter to someone she loves above all others, recounting times of devastating heartbreak and passionate affairs, poverty and wealth, terrible loss and immense joy. Her life is shaped by some of the most important events of history: the fight for women's rights, the rise and fall of tyrants, and ultimately not one, but two pandemics. Through the eyes of a woman whose unforgettable passion, determination, and sense of humor carry her through a lifetime of upheaval, Isabel Allende once more brings us an epic that is both fiercely inspiring and deeply emotional.

New York Times and worldwide bestselling "dazzling storyteller" (Associated Press) Isabel Allende returns with a sweeping novel about three very different people who are brought together in a mesmerizing story that journeys from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil. *In the Midst of Winter* begins with a minor traffic accident—which becomes the catalyst for an unexpected and moving love story between two people who thought they were deep into the winter of their lives. Richard Bowmaster—a 60-year-old human rights scholar—hits the car of Evelyn Ortega—a young, undocumented immigrant from Guatemala—in the middle of a snowstorm in Brooklyn. What at first seems just a small inconvenience takes an unforeseen and far more serious turn when Evelyn turns up at the professor's house seeking help. At a loss, the professor asks his tenant Lucia Maraz—a 62-year-old lecturer from Chile—for her advice. These three very different people are brought together in a mesmerizing story that moves from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil, sparking the beginning of a long overdue love story between Richard and Lucia. Exploring the timely issues of human rights and the plight of immigrants and refugees, the book recalls Allende's landmark novel *The House of the Spirits* in the way it embraces the cause of "humanity, and it does so with passion, humor, and wisdom that transcend politics" (Jonathan Yardley, *The Washington Post*). *In the Midst of Winter* will stay with you long after you turn the final page.

A child of two worlds -- the son of an aristocratic Spanish military man turned landowner and a Shoshone warrior woman -- young Diego de la Vega cannot silently bear the brutal injustices visited upon the helpless in late-eighteenth-century California. And so a great hero is born -- skilled in athleticism and dazzling swordplay, his persona formed between the Old World and the New -- the legend known as Zorro.

Summer Reissues with P.S. The engrossing story of one man's quest for love and for his soul from bestselling author Isabel Allende, now available with P.S. Isabel Allende's first novel to be set in the United States and to portray American characters, *The Infinite Plan* is a vivid tale of one man's search for love, and his struggle to come to terms with a childhood of poverty and neglect. As he journeys from the Hispanic barrio in Los Angeles to the killing fields of Vietnam to the frenetic life of a lawyer in San Francisco, Gregory Reeves loses himself in an illusory and wrongheaded quest. Only when he circles back to his roots does he find the love and acceptance he has been searching for.

Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

Narrated with warmth, humor, exceptional candor and wisdom, *The Sum of Our Days* is a portrait of a contemporary family, tied together by the love, strong will, and stubborn determination of a beloved matriarch, the indomitable New York Times bestselling author of *The House of the Spirits*, Isabel Allende. "An inspiring and thought-provoking work." --Denver Post Isabel Allende reconstructs the painful reality of her own life in the wake of the tragic death of her daughter, Paula. Narrated with warmth, humor, exceptional candor, and wisdom, this remarkable memoir is as exuberant and as full of life as its creator. Allende bares her soul while sharing her thoughts on love, marriage, motherhood,

spirituality and religion, infidelity, addiction, and memory—and recounts stories of the wildly eccentric, strong-minded, and eclectic tribe she gathers around her and lovingly embraces as a new kind of family.

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

The New York Times bestselling author of *The House of the Spirits* and *A Long Petal of the Sea* tells the story of one unforgettable woman—a slave and concubine determined to take control of her own destiny—in this sweeping historical novel that moves from the sugar plantations of Saint-Domingue to the lavish parlors of New Orleans at the turn of the 19th century “Allende is a master storyteller at the peak of her powers.”—*Los Angeles Times* The daughter of an African mother she never knew and a white sailor, Zarité—known as Tété—was born a slave on the island of Saint-Domingue. Growing up amid brutality and fear, Tété found solace in the traditional rhythms of African drums and the mysteries of voodoo. Her life changes when twenty-year-old Toulouse Valmorain arrives on the island in 1770 to run his father’s plantation, Saint Lazare. Overwhelmed by the challenges of his responsibilities and trapped in a painful marriage, Valmorain turns to his teenaged slave Tété, who becomes his most important confidant. The indelible bond they share will connect them across four tumultuous decades and ultimately define their lives.
