I'm faded I'm faded So lost, I'm faded I'm faded So lost, I'm faded These shallow waters never met what I needed I'm letting go a deeper dive Eternal silence of the sea, I'm breathing Alive Where are you now? Where are you now? Under the bright but faded lights You've set my heart on fire Where are you now? Where are you now? Where are you now? Atlantis

Lewis Capaldi Lyrics. "Fade". It ain't no wonder why we lose control. When we're always a heart attack away from falling in love. Well, I know that we've been hardly holding on. To tell the truth, I can't believe we got this far. Running near on empty. I wish somebody would've told me. That I'd end up so caught up in need of your demons.

"Potent. Soulful. Ensnares you right from the beginning and doesn't let its grip go for a moment." - 5 star review Felicity Wilde was never looking for fame. It found her anyway. And, with it, a boatload of broken promises and painful goodbyes. Since she walked out of the spotlight — and away from Ryder Woods — she's carved out a new life for herself. Quiet. Simple. Drama-free. Music-free. It's everything she thought she wanted. So why does it feel so empty? She told herself she'd never go back. Not to music. Not to Los Angeles. Not to him. But when outside forces compel her to fulfill her contractual obligations, Felicity will once again find herself facing the life she thought she'd left behind for good... as well as the man who broke her heart into pieces... They say lightning never strikes twice... But what if your love is a perfect storm? FADED: Part Two is the second installment of an angsty, addictive new contemporary romance duet about two star-crossed musicians. From dark tour bus bunk beds to blinding stadium lights, follow Ryder, Felicity, and the whole Wildwood crew as they set the world on fire... one arena at a time. Due to sex, drugs, and rock & roll, it is recommended for readers ages 16 and up.

His schedule, his tour, his fans—it's like Connor Jackson's become the center of the universe. And when the entire family decides to join Connor's tour, Katelyn has to kiss her soccer team, her friends—and her entire summer—goodbye. The only good news is the opening act is none other than her favorite band with the hottest lead singer ever. Zach Matthews, with his deep caramel eyes, makes Katelyn's heart pound a zillion beats per minute. Don't mind me, I'm just fangirling over here. Between the endless bus rides and cruddy room service, some serious chemistry develops between Katelyn and Zach. But as they say, all is not fair in love and pop stardom and Katelyn will have to decide if she's willing to take a risk or if she's just along for the ride.
