A dramatic story of love and ambition, set against the turbulence of the second World War. Prue is young, beautiful and talented. Though she may love the charming and valiant soldier, Kit, whom she has nursed back to life after front-line combat, she cannot resist a long-coveted posing abroad. Once in France, temptations of a different kind ? the attentions of a consultant surgeon ? lure her even further away from her young admirer. It is only when Kit is seriously wounded that Prue is struck by the full force of her love for him, but by then fate is no longer in her hands?

Musical artist Kenneth Cope reflects on the Savior, Jesus Christ.

Outsmart Your Enemies. Outrun the Galaxy. “ Just please, remember what I told you. Run. Don ’ t stop running for anything. ” Buckle up your seatbelt for Victories Greater Than Death, a thrilling YA sci-fi adventure set against an intergalactic war from internationally bestselling author Charlie Jane Anders. Tina never worries about being 'ordinary'--she doesn't have to, since she's known practically forever that she's not just Tina Mains, average teenager and beloved daughter. She's also the keeper of an interplanetary rescue beacon, and one day soon, it's going to activate, and then her dreams of saving all the worlds and adventuring among the stars will finally be possible. Tina's legacy, after all, is intergalactic--she is the hidden clone of a famed alien hero, left on Earth disguised as a human to give the universe another chance to defeat a terrible evil. But when the beacon activates, it turns out that Tina's destiny isn't quite what she expected. Things are far

## Access Free Greater Than It All

more dangerous than she ever assumed--and everyone in the galaxy is expecting her to actually be the brilliant tactician and legendary savior Captain Thaoh Argentian, but Tina...is just Tina. And the Royal Fleet is losing the war, badly--the starship that found her is on the run and they barely manage to escape Earth with the planet still intact. Luckily, Tina is surrounded by a crew she can trust, and her best friend Rachel, and she's still determined to save all the worlds. But first she'll have to save herself.

Robin Bartlett said, "Yes!" Will she say, "I do," when the big day arrives? From his cultured handsome looks to his vast fortune, Antonio "Tony" Viscolli is every red-blooded American girl's dream match. It doesn't hurt that he completely loves and adores Robin with all his heart and soul from practically the moment they first meet. Robin comes from a blistering past, struggling and fighting for the survival of herself and her two younger half-sisters in a cold, cruel world. By the time Tony thaws her heart, she has known hunger, poverty, violence, and want. Robin never had a chance to dream of a white wedding gown or a prince charming. Instead, her dreams were nightmares dark and clouded with fear and desperation. For months, Tony courted the blond beauty with the sapphire eyes. He teased Robin and pursued her. He showered with attention, respect, and charm. He covered her in diamonds, sapphires, and rubies. Tony satisfied every heart's desire. Finally, Robin came to understand God's love for her as imitated by the unconditional love Tony freely offered. Then, on a sunny Florida beach, Tony proposed and Robin eagerly said "Yes!" Back in bitter cold Boston, doubts about becoming a billionaire's bride begin to crowd out her hopes for happiness. Robin worked for tips until just a few months before Tony proposed on that sunny stretch of sand. In fact, she waited his table less than half a year earlier. Having no experience facing these challenges, Robin struggles to cope feeling the pressures of relocating; of unreliable transportation; of the never-ending details of the shower, the ceremony, the reception, the honeymoon; of worries that her sisters will smoothly transition along with her; of changing her name; all while dealing with her father's very serious legal problems. As the date draws inexorably near and the pressure mounts, Robin begins to grasp the scale of her fiancé's vast material wealth and holdings, the responsibilities of the virtual empire he commands. She witnesses his generosity when he takes on a young protégé straight from the tough South Boston streets. Ultimately, Robin questions whether she is truly the girl of Tony's dreams. Is she the woman God has made for him? In taking her on as a wife, would she act as helpmeet or poison apple? In truly loving Tony, would it be better to bind herself to him for all eternity or return his freedom? When her nightmares return in full force, they remind Robin of an even deeper and more terrifying prospect. Will she give in to her insecurities and cancel Boston's "Royal Wedding" for good? Or, with God's guidance, will Tony sacrifice everything to prove to his beloved Robin her true worth?

Behold, a greater than Solomon is here (Matt. 12: 42). Great things said Jesus about himself. Thinking of this world's darkness, he said: "I am the Light of the world." Thinking of humanity's homelessness: "I am the Door." Thinking of our waywardness: "I am the Way." Thinking of our need of protection: "I am the Good Shepherd." Thinking of our fruitlessness that dishonors God and burglarizes our souls: "I am the Vine." Thinking of the world's deadness in sin: "I am the resurrection, and the life." Thinking of the greatness of Jonah, behind the curtain of whose preaching Nineveh shifted scenes of riot for penitential tears: "A greater than Jonah is here." Thinking of Solomon's wisdom, glory, greatness: "A greater than Solomon is here." But greater is Jesus than anything he is ever likened to — something far more than the most illustrious in the census of the world. His life is an episode between two eternities — one stretching back before all worlds, the other forward forever. Human language falls short of expressing all that he is, even as a thimble lacks capacity to hold Niagara Falls. The Fact of facts, the Bible's theme — he stands alone, august, unique, supreme. All comparisons, all similes, all metaphors but skirt the edges of the glory of this matchless person in whom all sanctities and sufferings unite. "His name shall be called Wonderful!" (Isaiah 9: 6). And, though a thousand names be used, Christ, the loftiest ideal of all literature, the highest personality of all philosophy, the supremest problem of all criticism, the fundamental doctrine of all true theology, the cardinal necessity of all spiritual religion, the outstanding miracle of all ages, was, and is, the superlative of anything you choose to call him. We would pitch our

Activate Your Faith, Experience the Impossible So Jesus answered and said to them, “ Have faith in God. ” Mark 11:22 Power. Everyone wants it. The masses are chasing after it. Few ever access it. Even fewer experience it as a lifestyle. The only vehicle for authentic spiritual power—the Church—must awaken to what it already possesses and start activating it: Faith. Let this awakening begin with you! If anyone should be living out a power-full lifestyle, it should be the Spirit-empowered, faith-filled believer in Jesus Christ. In *Greater Than Magic*, author Becky Dvorak reveals through Scripture the key to unlocking the supernatural power of God in our everyday lives through faith. Prepare to discover: How understanding your identity in Christ emboldens you to activate faith A Bible-based understanding of faith that shows you how to walk in a greater supernatural realm and intimacy with God Secrets to putting your faith to work and experiencing miraculous results Tap into the supernatural potential of your faith and unleash the power of God in your life today!

An inspiring parable on the greatest leadership lesson of all—that the best leaders go beyond the tenets of the Golden Rule and help others to be better than they are themselves Too many people assume that the timeless principles of genuine leadership—of helping others achieve their full potential—don ’ t apply Monday through Friday during work hours or in any circumstance where a paycheck is involved. In *Greater Than Yourself*, Steve Farber proves them wrong. With this powerful and eye-opening story, Farber shows that the goal of true leadership is to help others—teammates, employees, and colleagues—become more capable, confident, and accomplished than their leaders. Through the actions of a forward-thinking and extraordinarily successful CEO, Farber reveals the three keys to achieving what he calls GTY: Expand Yourself, Give Yourself, and Replicate Yourself. Filled with thought-provoking ideas and actionable principles, *Greater Than Yourself* offers a powerful message for today ’ s business leaders.

Brilliant Illuminations for Awakening to the Absolute What if all that you believe yourself to be—your body, mind, emotions, and conditioning—is actually what you are not? What if this is merely a self-portrait shaped by false identification, habit, and assumptions? In ever-growing gatherings across India and Portugal, the revered teacher Mooji has for decades opened the eyes of thousands through his rare ability to shine light on the ineffable with uncommon clarity, humor, and warmth. Now, with *Vaster Than Sky*, *Greater Than Space*, Mooji invites readers everywhere to discover the true essence from which we all arise. The Advaita Vedanta tradition teaches that through the simple act of questioning, we can awaken to something far greater than the ego self, a “ non-dual ” Oneness with the

## Access Free Greater Than It All

ground of all Being. In *Vaster Than Sky, Greater Than Space*, Mooji guides us into the adventure of deep inquiry, sparking direct realization through stories, wisdom teachings, and responses to the common questions of readers, such as: If I've always been one with the eternal Self, why do I feel so anxious, depressed, or angry? How do I attain a state of peace, joy, and timeless presence? As pure and infinite Being, of what importance are my personal relationships, aspirations, or efforts to help others in need? I 've suffered so much trauma in my life—is psychotherapy helpful on this path? How do I forgive others who have hurt me? Are intimate relationships a help or a hindrance to awakening? I understand these words, but I continue to be filled with the chatter of the mind—what should I do? Through our own engagement and self-exploration, Mooji helps us to arrive at the answers, not from the limited perspective in which we 've been conditioned, but from our deepest Knowing—and to experience “ the timeless, boundless love and freedom that is the natural perfume of the Absolute. ”

On the basis of the biblical phrase, "visiting the iniquity of the fathers on the children, to the third and fourth generation," the author traces Family Mess or "generational bondage" in the family of Abraham to the fourth generation. As the father of Israel and of the Christian faith, Abraham provides an excellent example for us to examine his family mess in order to help us conquer our own. God is Greater Than . . . Family Mess will help you: . -Understand how God worked through the difficult circumstances of Old Testament characters to give them a destiny. -Understand the impact of dysfunction in your family of origin. -Look at dysfunction and co-dependency from a biblical perspective. -Identify your own "family mess." -Understand that God is greater than your upbringing. -Pursue your hopes, dreams, expectations, and destiny in the Holy Spirit. God worked in the midst of Abraham's family problems to give the promise of a brighter future. He gave Abraham and his posterity a destiny that overcame their outward limitations. Praise God that He does the same thing for us, the spiritual children of Abraham.
