This Is The First Ever Workshop Manual From The Late, Great John Haynes. Haynes Manuals are an institution. So many of us started out on cars with a soon-to-be-grubby workshop manual from Haynes spread out in front of a fistful of wrenches and baffling car parts. Now the man who started it all, John Haynes, founder of the Haynes Publishing Group and the Haynes International Motor Museum has passed away peacefully, surrounded by his family, aged 80.
