The Works and Days (Ancient Greek: Ἔργα καὶ Ἡμέραι, Erga kai Hēmerai) is a didactic poem written by the ancient Greek poet Hesiod around 700 BC. It is in dactylic hexameter and contains 828 lines. At its center, the Works and Days is a farmer's almanac in which Hesiod instructs his brother Perses in the agricultural arts.

[Works and Days - Wikipedia](#)

Works and Days, epic poem by the 8th-century- bce Greek writer Hesiod that is part almanac, part agricultural treatise, and part homily. It is addressed to his brother Perses, who by guile and bribery has already secured for himself an excessive share of their inheritance and is seeking to gain another advantage in a similar manner.

[Works and Days | epic poem by Hesiod | Britannica](#)

by The British Museum (CC BY-NC-SA) Works and Days is an epic poem written in dactylic hexameter, credited to the 8th-century BCE Greek poet Hesiod. Hesiod is generally remembered for two epic works, Theogony and Works and Days but, like his contemporary Homer, he was part of an oral tradition and his works were only put into written form decades after his death.

[Works and Days - Ancient History Encyclopedia](#)

HESIOD, WORKS AND DAYS. HESIOD was a Greek epic poet who flourished in Boeotia in the C8th B.C. He was alongside Homer the most respected of the old Greek poets. His works included a poem titled the Theogony, a cosmological work describing the origins and genealogy of the gods, Works and Days, on the subjects of farming, morality and country life, and a large number of lost or now fragmentary poems including the Catalogues of Women, Eoiae, and Astronomy.

Hesiod: Works and Days. translated by Hugh G. Evelyn-White. [1914] (ll. 1-10) Muses of Pieria who give glory through song, come hither, tell of Zeus your father and chant his praise. Through him mortal men are famed or un-famed, sung or unsung alike, as great Zeus wills. For easily he makes strong, and easily he brings the strong man low; easily he humbles the proud and raises the obscure, and easily he straightens the crooked and blasts the proud, -- Zeus who thunders aloft and has his ...

### Hesiod: Works And Days

Hesiodic Works and Days. Translated by Gregory Nagy. 1Muses of Pieria, you who make glory [kleos] with your songs, 2come and tell of Zeus, making a song about your father, 3on account of whom there are mortals both unworthy of talk and worthy, 4both worth speaking of and not—all on account of great Zeus. 5.

### Hesiod, Works and Days, line 1

“ Works and Days ” is a didactic poem by Hesiod dating to approximately the 8th century BCE. This guide refers to the Oxford World ’ s Classics edition translated by M. L. West. The poem begins with an invocation to the Muses, asking them to bestow glory through their song and to sing a hymn to Zeus, who controls outcomes.

### Works and Days Summary and Study Guide | SuperSummary

"Works And Days" comes across as run-together songs of wisdom rooted in very specific, localized moments of place, time and actions. I began reading it silently - a very modern habit, after all - and after a page or two found myself reading aloud because Lombardo has given, or caught, a definite, distinctive and specific voice here.

Works and Days by Hesiod, A. E. Stallings (Introduction, Editor, and Translator) (Penguin Classics/Amazon)

Greek poet Hesiod took many lines of thought and knowledge - myth, fable, personal experience, practical understanding - and wove them into one great whole. He did as much with the origins of the Greek

gods in the Theogony, and then did the same in creating his manual of moral and practical advice, Works and Days. Here, Stephanie Nelson ' s translation of Works and Days is paired with Richard S. Caldwell ' s take on the Theogony. Along with introductory essays, these comprehensible versions of Hesiod ' s two best-known poems make it easy for readers to see why Hesiod ' s writings continue to resound through the ages.

Written in the late eighth century BC by Hesiod, one of the oldest known of Greek poets, Theogony and Works and Days represent the earliest account of the origin of the Greek gods, and an invaluable compendium of advice for leading a moral life, both offering unique insights into archaic Greek society. There are a number of modern translations of Hesiod available, rendered in serviceable English, but until now no one has created a work of literature equal to the original. This translation is the result of a unique collaboration between a classicist and a poet, capturing in English fourteeners the works ' true poetic flavor while remaining faithful to the Greek text and the archaic world in which it was composed. This translation contains a general introduction, a translator ' s introduction, notes, and a glossary. It will be of interest to general readers, students of and specialists in classical literature, and lovers of poetry. "This Schlegel-Weinfield translation of Hesiod is superbly crafted: compelling, unforgettable poetry to be read aloud with delight and gratitude." --Allen Mandelbaum, Endowed Kenan Professor of Humanities, Wake Forest University "This exciting and unique collaboration between a classical philologist and a poet will not just provide insight into archaic Greek society, but also offer something new: the opportunity to experience the richness of Hesiod's style, language, and modes of thought with remarkable fidelity to the ancient Greek. Weinfield and Schlegel make Hesiod sing." --Carole Newlands, Classics Department, University of Wisconsin "Schlegel and Weinfield have produced one of the most remarkable of a current resurgence of translations from the classics, allowing the modern world to hear a poet who may have known Homer. Hesiod ' s song makes us understand why the Greeks thought a poet could draw dolphins through the seas or raise the walls of Thebes. Weinfield translates by ear and transfers what he hears to the page, resonant fourteeners, a worthy echo of the past." --Charles Stanley Ross, Professor, Department of English, and Director, Comparative Literature, PurdueUniversity Catherine Schlegel is Associate Professor of Classics, University of Notre Dame. Henry Weinfield is Professor and Chair of Liberal Studies, University of Notre Dame, and translator of The Collected Poems of Stephane Mallarme.

A translation of Hesiod's poems. It captures Hesiod's rustic wisdom, his humour and his cautious pessimism.

A new verse translation by award-winning poet Alicia Stallings of one of the foundational works of ancient Greece TLS BEST BOOKS OF THE YEAR 2018, selected by Rachel Hadas and Emily Wilson The ancient Greeks revered Hesiod, believing he had beaten Homer in a singing contest and that after his dead body was thrown to sea, it was brought back by dolphins. His Works and Days is one of the most important early works of Greek poetry. Ostensibly written by the poet to chide his lazy brother, it recounts the story of Pandora ' s box and humanity ' s decline since the Golden Age, and can be read as a celebration of rural life and a hymn to work. Alicia Stallings ' s new translation breathes new life into Hesiod ' s work, rendering its vivid poetry for a new generation of classics readers. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Already a classic, Hesiod: Theogony, Works and Days, Shield is now more valuable than ever for students of Greek mythology and literature.

Hesiod's 'Works and Days' was often performed in its entirety, but was also relentlessly excerpted, quoted, and reapplied. This volume situates the poem within these two modes of reading and argues that the text itself, through Hesiod's complex mechanism of rendering elements detachable whilst tethering them to their context for the purposes of the poem, sustains both treatments.

For this eagerly anticipated revised edition, Athanassakis has provided an expanded introduction on Hesiod and his work, subtly amended his faithful translations, significantly augmented the notes and index, and updated the bibliography. --Johns Hopkins University Press.

This new, annotated translation of Hesiod's "Works and Days" is a collaboration between David W. Tandy, a classicist, and Walter Neale, an economist and economic historian. Hesiod was an ancient Greek poet whose "Works and Days" discusses agricultural practices and society in general. Classicists and ancient historians have turned to "Works and Days" for its insights on Greek mythology and religion. The poem also sheds light on economic history and ancient agriculture, and is a good resource for social scientists interested in these areas. This translation emphasizes the activities and problems of a practicing agriculturist as well as the larger, changing political and economic institutions of the early archaic period. The authors provide a clear, accurate translation along with notes aimed at a broad audience. The introductory essay discusses the changing economic, political and trading world of the eighth and seventh centuries B.C.E., while the notes present the range and possible meanings of important Greek terms and references in the poem and highlight areas of ambiguity in our understanding of "Works and Days."
