Dallarda attributed the loss of the doses to a mechanical malfunction and not a staff error, pointing out that they tested the door after discovering the issue and it still wouldn't stay closed.

Basic Polish presents concise explanations of grammar with related exercises, to build confidence in using the modern language. Assuming no previous knowledge of Polish, the book's step-by-step approach guarantees a thorough grounding in the basics of grammar. Each of the forty units introduces particular grammar points. Clear and concise explanations are supported by a wide range of examples and exercises to allow students to practise and consolidate their learning. Later units also reinforce material taught in earlier ones. Key features include: clear, accessible format many useful language examples jargon-free explanations of grammar abundant exercises with a full answer key notes on the Polish alphabet, pronunciation and stress Polish-English vocabulary subject index. This second edition has been revised to include updated examples and explanations. It also offers five new appendices containing a comprehensive summary of grammar functions, guidance on studying an inflected language, and helpful information on question words, the important verbs być and mieć and perfective and imperfective verb aspects. Written by an experienced language teacher and author, Basic Polish is the ideal introduction to the structures and expressions most widely used in spoken and written Polish. It is suitable for both independent use and classroom study.

The ultimate quick and easy guide to learning Polish Polish can be a difficult language to master. It is pronounced phonetically and has several unique characters in its alphabet, but with Polish For Dummies in hand, you'll find yourself speaking like a local in no time. Packed with practical lessons, handy cultural facts, and essential references (including a Polish-English mini-dictionary and lists of common verbs), this guide is specially designed to get you speaking Polish with confidence. With advice on speaking Polish within the construction, teaching, and public sector industries, this book is a truly practical tool for anyone wanting to speak the language either professionally or socially. Includes sections dedicated to Polish in action, Polish on the go, and Polish in the workplace A companion audio CD contains Polish conversations spoken by native Polish speakers in a variety of everyday contexts, perfect for learning Polish on the go A Polish-English dictionary is included to provide quick access to the most common words With easy-to-follow instruction and exercises that give you the language to communicate during day-to-day experiences, readers of Polish For Dummies will learn the words and verbal constructions they need to communicate with friends and colleagues at home, find directions on holiday, and more. Note - CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.

"It is the first communicative coursebook of Polish as a foreign language for level A2. Each unit contains dialogs in Polish with a Polish-English dictionary, a lexical table, grammatical and communicative commentaries in English, as well as grammatical exercises, passages for reading and listening comprehension practice, and communicative tasks. The coursebook presents information about Poland and its culture and for the first time in a coursebook of Polish as a foreign language information about Poland and the Poles in the European Union. At the back of the coursebook there is a Polish-English dictionary for both volumes A1 & A2 as well as a language proficiency test in Polish for level A2 (listening comprehension, reading comprehension, accuracy, writing and speaking)."-Editor.

This new edition of the best-selling Polish course for beginners has been completely rewritten to make learning the language easier and more enjoyable than before. Written by an experienced teacher and author, Colloquial Polish offers a step-by-step approach to the language as it is spoken and written today. No previous knowledge of Polish is required. Features include: * Lively dialogues * Lots of exercises with full answer key * Jargon-free grammar notes and a quick reference grammar * Extensive Polish-English and English-Polish word lists With all the language support you'll need, COLLOQUIAL POLISH will soon have you speaking, reading and writing Polish with confidence. Two 60-minute CDs are available to complement the book. Recorded by native speakers, these will help you with your pronunciation and listening skills.
