Intercultural Communication: A Critical Introduction: A---

Ingrid Piller explains communication in context using two main approaches. The first treats cultural identity, difference and similarity as discursive constructions. The second, informed by bilingualism studies, highlights the use and prestige of different languages and language varieties as well as the varying access that speakers have to them.

Intercultural Communication: A Critical Introduction 2nd---

Intercultural communication in real life is embedded in economic, social and cultural globalisation, transnational migration and overseas study. The main challenges of intercultural communication are the linguistic challenges of language learning, the discursive challenges of stereotyping, and the social challenges of inclusion and justice. Let me exemplify this with a case study of intercultural communication in higher education.

Intercultural Communication: A Critical Introduction by---

Intercultural Communication provides a critical introduction to the dynamic arena of communication across different cultural and social strata. Throughout this book, topics are revisited, extended, interwoven and deconstructed, with the reader's understanding strengthened by tasks and follow-up questions.
