Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.

Tackling vital issues of politics, identity and experience in performance, this book asks what Shakespeare's plays mean when extended beyond the English language. From April to June 2012 the Globe to Globe Festival offered the unprecedented opportunity to see all of Shakespeare's plays performed in many different world languages. Thirty-eight productions from around the globe were presented in six weeks as part of the World Shakespeare Festival, which formed a cornerstone of the Cultural Olympics. This book provides the only complete critical record of that event, drawing together an internationally renowned group of scholars of Shakespeare and world theatre with a selection of the UK's most celebrated Shakespearean actors. Featuring a foreword by Artistic Director Dominic Dromgoole and an interview with the Festival Director Tom Bird, this volume highlights the energy and dedication that was necessary to mount this extraordinary cultural

experiment.

Wangari Maathai, founder of The Green Belt Movement, tells its story including the philosophy behind it, its challenges, and objectives.
