Kimmel The Gendered Society Chapters

The sixth edition of *The Gendered Society* explores current thinking about gender, both inside academia and in our everyday lives. Michael Kimmel challenges the claim that gender is limited to women's experiences--his compelling and balanced study of gender includes both masculine and feminine perspectives. Kimmel makes three bold and persuasive statements about gender.

The Gendered Society - Michael Kimmel - Oxford University ...

In *The Gendered Society*, Michael S. Kimmel examines our basic beliefs about gender, arguing that men and women are more alike than we have ever imagined. Kimmel begins his discussion by observing that all cultures share the notion that men and women are different, and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes.
