Offers people in the legal profession insight into the writing process and describes how they can create legal documents with organized ideas and refined prose.

Admirably clear, concise, down-to-earth, and powerful—all too often, legal writing embodies none of these qualities. Its reputation for obscurity and needless legalese is widespread. Since 2001 Bryan A. Garner ' s *Legal Writing in Plain English* has helped address this problem by providing lawyers, judges, paralegals, law students, and legal scholars with sound advice and practical tools for improving their written work. Now the leading guide to clear writing in the field, this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process that will appeal to other professionals: how to organize ideas, create and refine prose, and improve editing skills. Accessible and witty, *Legal Writing in Plain English* draws on real-life writing samples that Garner has gathered through decades of teaching experience. Trenchant advice covers all types of legal materials, from analytical and persuasive writing to legal drafting, and the book ' s principles are reinforced by sets of basic, intermediate, and advanced exercises in each section. In this new edition, Garner preserves the successful structure of the original while adjusting the content to make it even more classroom-friendly. He includes case examples from the past decade and addresses the widespread use of legal documents in electronic formats. His book remains the standard guide for producing the jargon-free language that clients demand and courts reward.

A complete guide to clean, precise and understandable legal writing So many books give you advice that turns out to be hollow: "know your audience," "structure your writing." The real strength in *Plain Language Legal Writing* is how, throughout, Stephens provides clear instructions on how to accomplish what she's recommending. Instead of just telling you to plan what you're going to write, she walks you step-by-step through the planning. Instead of telling you to consider your audience before writing, she describes in detail the sorts of audiences a legal document might have (more than you'd expect!) and how to best meet their

needs. Plain Language Legal Writing will help you produce documents that people are willing to read and able to understand. More: PlainLanguageLegalWriting.com Other versions: e-book

This book looks at the forces that have made traditional legal language what it is today and suggests some reasons why the law needs plain English. It also shows why most of its peculiarities are unnecessary.

This book seeks to change public and legal writing—by making the ultimate case for plain language. The book gathers a large body of evidence for two related truths: using plain language can save businesses and government agencies a ton of money, and plain language serves and satisfies readers in every possible way. The book also debunks the ten biggest myths about plain writing. And it looks back on 40 highlights in plain-language history. Professor Joseph Kimble is a leading international expert on this subject. Here is the book that sums up his important work. His message is vital to every government writer, business writer, and attorney.

Since the 1987 appearance of *A Dictionary of Modern Legal Usage*, Bryan A. Garner has proved to be a versatile and prolific writer on legal-linguistic subjects. This collection of his essays shows both profound scholarship and sharp wit. The essays cover subjects as wide-ranging as learning to write, style, persuasion, contractual and legislative drafting, grammar, lexicography, writing in law school, writing in law practice, judicial writing, and all the literature relating to these diverse subjects.

"*A Plain Language Handbook for Legal Writers*" provides a practical, workshop-in-a-book approach to the techniques of clear writing. Designed for all legal professionals and law students, this book provides definitions of plain language by thoroughly reviewing the available literature. The handbook tackles such topics as the theoretical and ethical foundations of plain language, inclusive language, the testing of plain language documents, and the future of the international plain language movement. A Plain Language at Work section looks at wills, municipal bylaws, legislation, collective agreements, minutes of settlement, and consent forms. The book instructs on techniques leading to clear writing, exercises to help strengthen skills, and models for learning how to assess and write plain language documents.

Admirably clear, concise, down-to-earth, and powerful—unfortunately, these adjectives rarely describe legal writing, whether in the form of briefs, opinions, contracts, or statutes. In *Legal Writing in Plain English*, Bryan A. Garner provides lawyers, judges, paralegals, law students, and legal scholars sound advice and practical tools for improving their written work. The book encourages legal writers to challenge conventions and offers valuable insights into the writing process: how to organize ideas, create and refine prose, and improve editing skills. In essence, it teaches straight thinkin.

A new edition of the classic in legal writing covers the basics of the field with new examples that illuminate mechanics, word choice, structure, and rhetoric.
