Review: "Lost Child: A Gripping Psychological Thriller" by ...

The 'gripping' part is questionable. Yes, this book has twists and turns and it does deal with an abducted child. The main character who's involved in the search for the child is somewhat 'insane' and not too well equipped to deal with that search.

Amazon.com: Customer reviews: Lost Child: A Gripping ...

The book starts slow, and I really thought it was going to be a typical psychological thriller, especially with the title suggesting it was all about the child. But "
