In this suspenseful 100-page digital-original romance novella from Something Strange and Deadly author Susan Dennard, Daniel's past-and his first love--will be exposed. With a checkeder past like Daniel Sheridan's, landing an apprenticeship aboard the Sadie Queen was just the fresh start he was looking for. But that's the last thing it's been. Teeming with ghosts that plague the crew with horrific nightmares, this ship is more trouble than it's worth to Daniel. Except for Cass. . . . Gorgeous and stubborn to a fault, apprentice pilot Cassidy Cochran is the one thing keeping Daniel on board. Though they started as best friends, their relationship has grown into something more intense. Their stolen, sometimes steamy moments have Daniel feeling something he never thought possible: love. Enlisting the help of a short-tempered Chinese boy named Jie and a Creole gentleman named Joseph, the three attempt to rid the boat of the ghosts--for if they don't, the Sadie Queen will be put out of business. And with Cass's fatally-ill sister in need of expensive medical help, Daniel is more determined than ever to save the ship. But when he discovers that the ghosts are linked to a dangerous curse whose caster wants everyone on board dead, Daniel will come face-to-face with an evil so dark, so wicked, that it will change the course of his life forever. Raumanen, a prize-winning novel by Marianne Katoppo, tells the story of Monang, a handsome but wayward Batak man, and Raumanen, a young Minahasa woman who, though educated and intelligent, is also a 'soft touch' when it comes to love. As is deftly revealed by the author in this novel, even in modern day Indonesia, matters of religion and ethnicity can greatly affect--for better or worse--the course of a couple's relationship.

Beyond summarizing the three volumes on Persona, Shadow and Ego in the Map of the Soul series, this latest book explores the entire BTS album, start to finish, revealing profound insights into the collective psyche of BTS. The title of BTS’s latest album, Map of the Soul: 7, captivates the mind with its suggestive and alluring imagery. It came as a surprise to many fans. Expected was an album that would follow upon Map of the Soul: Persona with songs about Shadow or Ego. While the new album does indeed include songs with these themes, it is much more complex and broader in vision than expected. The number 7 suggests mystery. It catches the mind’s attention with its symbolic significance. What does this number mean in relation to the idea of a “map of the soul?” This book dives into this mystery and explores the unconscious reaches of our mind. Fans of BTS from around the world will marvel at the depth of meaning in the songs contained in Map of the Soul: 7. They take the listener into deep reflection upon the meaning of striving and ambition, the dangers of worldly success, and the amazing resiliency of the human spirit to recover and go on despite the pitfalls on life’s journey. The songs themselves function as a map for souls who are setting out in life and engaging in challenging relationships. The songs are reflective, mirroring what we find within ourselves in our struggles to become and to thrive. When you stand on the threshold of a new land, it is useful to have a map as your guide. The great psychologist of the 20th Century, Carl Jung, created a Map of the Soul that many people in his time found more than a little helpful, even lifesaving. It is even more so now, for people in the 21st Century, caught in the profound complexities of modern life. Armed with this map, people are better able to find their way successfully through life’s journey. Today, BTS is putting this map into the hands of their fans. For this great service we are profoundly very grateful.

She's a martyr. A myth. A ghost. A legend. She's my soulmate and my captive, my conscience and my wrath. I love her too much to let her die; I fear her too much to wake her from her slumber. She's mine. And now she's gone. He's unnatural. Undying. Unethical. Unstoppable. He's the keeper of lies and lost souls. Mine slipped through his clutches. I am his wife, his queen, the love of his very long life. And soon, I will be his executioner.

Lexi Weller's vacation in England doesn't exactly start off all that great when she almost ends up getting into a car accident. But when the driver of the car she almost hits steps out to speak with her, she finds herself practically drooling over him. And before it's all over, Mr. Tall, Muscular and Good-looking asks Lexi out on a date. Raedwald hopes he hasn't made a mistake by asking the sexy American out to dinner. Charged by the Anglo-Saxon god, Tiw, to protect mortals from the werewolves sired by Fenris the wolf, Raed knows he can't put Lexi before his duty. But when Lexi comes to mean more to him than he ever imagined, Raed must find a way to explain what he is without scaring off the woman he never wants to let go. Excerpt: Once they reached the flat's door, Lexi gave him a small smile as she reached inside her purse and pulled out her keys. "Thanks for supper." She took a deep breath. "Look, Raed, don't feel as if you have to see me again. I can tell you didn't exactly enjoy yourself at the pub. You wouldn't be the first date I've bored to tears." Raed crowded Lexi with his body until he had her backed against the door. He bent his head so he could look her in the eyes as he placed his hands on the door on either side of her head, caging her in. "Is that what you think? That I found you boring and I only said I wanted to see you again to be nice?" Lexi swallowed as her gaze locked with his. "Well, yeah. We didn't exactly have a lot of stimulating conversation. I'm boring; I know that." He crowded closer and pressed the bulge in his jeans against her. She sucked in a sharp breath, and he smiled. "You stimulated me very much. I haven't found you boring at all. If anything, you stir me more than you should." As the scent of Lexi's arousal grew stronger, Raed knew he either had to taste her, or die from longing. He wrapped one hand around the back of her neck as he lowered his mouth to hers. He ran his tongue along the seam of her lips before he pushed inside and groaned as he got his first real contact with Lexi. The taste of her went straight to his head. He stroked her tongue with his as Lexi reached up to fist her hands in the front of his shirt. The keys she still held dug into his chest but he barely felt them as intense arousal thrummed through his body. Raed rocked his erection against her as he cupped her breast. He stroked his thumb across her pebbled nipple. Lexi moaned and sucked on his tongue. She pressed closer, rubbing up against his hard cock. Lost in a sexual haze, Raed kissed Lexi deeper and he brought his hands down to her ass, lifting her off her feet. Positioning her so his aching cock was lined up with her pussy, he ground against her. Lexi moaned into his mouth. Her arms came up and wound around his neck as she pushed down on him. The howl of a werewolf in the distance broke through

Raed's lust-clouded brain and he stiffened. He let Lexi slowly slide down his body as he pulled away from her lips. Lexi looked up at him, her eyes full of desire, her lips swollen from his kisses. "What's wrong?" Raed knew she hadn't heard the werewolf's howl; the sound had been too far away for a mortal to hear at this distance. "I have to go. What's your phone number?" She blinked as if she were still in a daze. Slowly, she said, "I can't remember." The howl came again. Raed knew he couldn't linger much longer, no matter how much he wanted to stay and continue what they had started. "Never mind. I'll find it." He gave Lexi one last quick, thorough kiss before he bounded down the stairs. He hoped he could find more than one werewolf tonight. Frustrated beyond words, he would gladly take his agitation out on the ones he hunted.
