Alternative approaches to counter-terrorism Responding to terrorism is top of the political agenda worldwide. But interventions in Iraq, Libya and Afghanistan, and targeting militant groups in Somalia, Yemen, Syria and Pakistan haven't stopped violence or created peace.

*Alternative approaches to counter-terrorism - Saferworld*

This book seeks to explore the new frontiers in counter-terrorism research, analyses and practice, focusing on the imperative to rehabilitate terrorists. The post-9/11 world is in a very early stage of global rehabilitation both of terrorists and criminals. Nonetheless, some correctional rehabilitation programs have led convicted and suspected terrorists to express remorse, repent, and recant ...
