GetAbstract Summary: Get the key points from this book in less than 10 minutes. Gary Keller, co-founder of Keller Williams Realty and a best-selling author, overcame his own issues about focus, which makes his claims about cultivating better habits even more compelling. Multitasking isn't fruitful, he says, since success requires long periods of laser-like concentration, not scattershot swats. If you find your "ONE Thing," Keller says, everything else will fall into place. Keller, writing with co-author Jay Papasan, breaks his approach down into manageable steps based on research and experience. With an engaging writing style and plenty of bullet points, this reads much faster than its 200-plus pages. getAbstract recommends Keller's methods to new managers, time-strapped executives and anyone seeking habits that build success. Maggie Sanders might be blind, but she won't invite anyone to her pity party. Ever since losing her sight six months ago, Maggie's rebellious streak has taken on a life of its own, culminating with an elaborate school prank. Maggie called it genius. The judge called it illegal. Now Maggie has a probation officer. But she isn't interested in rehabilitation, not when she's still mourning the loss of her professional-soccer dreams, and furious at her so-called friends, who lost interest in her as soon as she could no longer lead the team to victory. Then Maggie's whole world is turned upside down. Somehow, incredibly, she can see again. But only one person: Ben, a precocious ten-year-old unlike anyone she's ever met.Ben's life isn't easy, but he doesn't see limits, only possibilities. After awhile, Maggie starts to realize that losing her sight doesn't have to mean losing everything she dreamed of. Even if what she's currently dreaming of is Mason Milton, the magnetic lead singer of Maggie's new favorite band, who just happens to be Ben's brother. But when she learns the real reason she can see Ben, Maggie must find the courage to face a once-unimaginable future...before she loses everything she has grown to love.
