The function of the Prophet has almost invariably been that of recovery. That implies that his business related to something lost. That something being absolutely essential to God's full satisfaction, the dominant note of the Prophet was one of dissatisfaction. And, there being the additional factor that, for obvious reasons, the people were not disposed to go the costly way of God's full purpose, the Prophet was usually an unpopular person. But his unpopularity was no proof of his being wrong or unnecessary, for every Prophet was eventually vindicated, though with very
