Addressing global concerns is often associated with what is called revising, and addressing local concerns is often thought of as proofreading. Being a strong self-editor means being able to revise a passage to address global or "big picture" concerns of a draft (organization, focus, content/idea development, and flow/cohesion). Mastering self-editing also means being able to proofread thoroughly to address local or "small picture" concerns of a draft (grammar, citations and ...

Covers characterization, exposition, point of view, dialogue, proportion, and voice

*Revising and Editing for Translators* provides guidance and learning materials for translation students learning to edit texts written by others, and professional translators wishing to improve their self-revision ability or learning to revise the work of others. Editing is understood as making corrections and improvements to texts, with particular attention to tailoring them to the given readership. Revising is this same task applied to draft translations. The linguistic work of editors and revisers is related to the professional situations in which they work. Mossop offers in-depth coverage of a wide range of topics, including copyediting, style editing, structural editing, checking for consistency, revising procedures and principles, and translation quality assessment. This third edition provides extended coverage of computer aids for revisers, and of the different degrees of revision suited to different texts. The inclusion of suggested activities and exercises, numerous real-world examples, a proposed grading scheme for editing assignments, and a reference glossary make this an indispensable coursebook for professional translation programmes.

Presents advice on writing fiction for young adult and middle school readers, including how to develop themes, avoiding common mistakes and cliches, and plot structure, along with information on how to recognize the differences between young adult and middle grade readers.

Hundreds of books have been written on the art of writing. Here at last is a book by two professional editors to teach writers the techniques of the editing trade that turn promising manuscripts into published novels and short stories. In this completely revised and updated second edition, Renni Browne and Dave King teach you, the writer, how to apply the editing techniques they have developed to your own work. Chapters on dialogue, exposition, point of view, interior monologue, and other techniques take you through the same processes an expert editor would go through to perfect your manuscript. Each point is illustrated with examples, many drawn from the hundreds of books Browne and King have edited.
