The swimmer realizes that “talent” isn’t them, it isn’t something they requested, and the praise it receives has nothing to do with anything they have done. It’s the talent that did the hard work, the swimmer was just along for the ride. Talent very quickly becomes expectation. “If only” they applied themselves in the pool he or she child would swim faster.

Some experts use the term “talent pool” in a much more narrow sense to denote a pool of current employees who can be trained to take on more responsibility as part of a talent development and succession planning strategy. A pool can include specific individuals or sources of talent and should not be confused with a talent pipeline. People in a talent pipeline have made some progress in the hiring process.
