Seminar 2: Valeria Mata Book
Launch *The Anthropology Of
Latin America*

This wide-ranging introduction to the anthropology of Latin America and the Caribbean offers broad coverage of culture and society in the region, taking into account historical developments as well as the roles of power and inequality. The chapters address key topics such as colonialism, globalization, violence, religion, race and ethnicity, gender and sexuality, health, and food, and emphasize the impact of Latin American and Caribbean peoples and cultures in the United States.
