Concept Framework  
Census data for 2001. The theoretical framework for this research combines elements of Shaw and McKay's (1942) social disorganization theory and Sampson and colleague's (1997) work on collective efficacy at the macro level and social control theory at the micro level. At the individual level, I

## Online Library The Drugs Violence Nexus A Tripartite

extend the logic of Sampson et al.'s (1997) community level collective efficacy to the domains of the school and family. School and family efficacies encompass similar notions of shared expectations and values found in the work on collective efficacy. Cluster analysis is used to

# Online Library The Drugs Violence Nexus A Tripartite

Concept Framework  
create groups of similar neighborhoods based on their combination of neighborhood disadvantage (as measured by proportion of immigrants and low income residents) and collective efficacy. The results indicate four distinct groups of neighborhoods in the

# Online Library The Drugs Violence Nexus A Tripartite

sample. Cluster 1 contains a high concentration of immigrants, is 92% non-white, and has low collective efficacy. Cluster 2 has high levels of disadvantage, is more ethnically heterogeneous, and exhibits average collective efficacy. Cluster 3 is neither advantaged nor disadvantaged, but

# Online Library The Drugs Violence Nexus A Tripartite

has the lowest collective efficacy.

Cluster 4 is advantaged, has the lowest proportion of non-whites, and the highest collective efficacy.

Multinomial logits are used to analyze the frequency of alcohol and marijuana use. Generalized linear models are used for the number of hard drugs

# Online Library The Drugs Violence Nexus A Tripartite

Concept Framework  
used, the rate of violent victimization,  
and the rate of violent perpetration.

Results indicate that the logic of  
collective efficacy can be successfully  
extended to the school and family. The  
effect of family and school efficacy and  
demographic measures varies by  
neighborhood context, as does the
