is the translation of  
"mermaid" to "La  
Sirenita" in Spanish.  
Siren is a much more  
seductive and dangerous  
creature, little or  
matured, this tale can be  
read as the idealized  
female version of  
romantic sacrifice,  
instead of being a failed  
enterprise for female  
entrapments (as Sirens  
would naturally do).

"The Little Mermaid"

(Danish: Den lille havfrue) is a literary fairy tale written by the Danish author Hans Christian Andersen. The story follows the journey of a young mermaid who is willing to give up her life in the sea as a mermaid to gain a human soul. The tale was first published in 1837 as part of a
