Come and spend some time with us at Bawaka. Get a taste of what it is like at different times of the year, and listen to our stories. Laklak Burarrwanga and family invite you to their Country, centred on a beautiful beach in Arnhem Land. Its crystal waters are full of fish, turtle, crab and stingray, to hunt; the land behind has bush fruits, pandanus for weaving, wood for spears, all kinds of useful things. This country is also rich with meaning. 'We can go anywhere and see a river, hill, tree, rock telling a story.' Here too is Laklak's own history, from her long walk across Arnhem Land as a child to her people's fight for land rights and for a say in their children's schooling. She and her family stand tall, a proud and successful Indigenous community. In the Yolngu world, we have a library in the land. You can't destroy it. If you burn it, it grows again. The land is full of more knowledge than you can imagine. 'Welcome to My Country is a beautifully warm, inviting experience. As soon as I read 'When the moon goes past you can see its reflection (in the water) like the inside of your heart', I knew this would be a very special read. Being immersed in an 'experience' is the way I would describe this book. It is an enticing journey into the heart of Yolngu life, in all its wonder across the physical, artistic and spiritual world. I love the conversational style - we walk, talk and sit down with family on every page. Lovely.' - Ros Moriarty, author of Listening to Country
