Work the System The Simple Mechanics of Making More ...

The Work the System Method requires a simple change in mindset [] the adoption of an [outside and slightly elevated] vantage point [] a view that vividly sees the separate systems of the world. I call this, [getting it.] The Systems Mindset is logical and self-evident as it produces incredible efficiency at work and in personal life.

Synopsis - Work the System

Working your system involves the following steps: Create a strategic objective that outlines your business's reason for being, its purpose and overall goals. This objective should be what drives the direction of the company and every business decision. Identify each system and sub-system within your business.

Work The System: The Simple Mechanics of Making More and ...

Work The System aims to convince people to change their fundamental perception of the world around them from a vision of an impenetrable, amorphous conglomeration, to one made up of individual linear systems, each of which can be improved and perfected. The reader is guided through the process of "getting" this new vision, and then through the specifics of applying it. It's simple, believable ...

Work The System: The Simple Mechanics Of Making More (Free ...

Work the System looks at each aspect of work and life in generally as distinct systems. Each system has specific components. If these components are in working order and are properly maintained, the system works fine. However, one missing or extra cog can bring the system crashing down.

The Work The System Academy is an online training program, and it's unlike any other program you've seen in the often hype-filled internet. The Academy is designed to take you by the hand and show you EXACTLY how within only 90 days you will be working less (probably much less), and making more (probably much more).
